

CORPORATE SPONSOR PACKET

SAFARI TO KENYA

Dear Friend,

Did you know that a unique nonprofit organization is headquartered right here in Tri-Cities that rescues abused, abandoned, and orphaned children? Over the past 20 years, our Pasco-born founders have dedicated their lives to raising more than 220 vulnerable kids at our children's home and school in Kenya. Rehema for Kids provides children with quality education, nutritious meals, medical intervention, trauma counseling, Biblical discipling, and a home where they belong – breaking the cycle of poverty in a country where nearly 50% of all Kenyan children are at risk.

I would like to personally invite you, your company, or your organization to support this important mission at our upcoming fundraising event called [Safari to Kenya](#). We are expecting up to 200 attendees, making it a wonderful opportunity to showcase your commitment to making a difference in the lives of vulnerable children. The event will take place on [Friday, September 26, 2025, at Terra Blanca Winery, featuring Camille Booker as our auctioneer.](#)

Our goal is to raise at least \$240,000 to help meet the needs of these at-risk children. We would be delighted if your business would consider sponsoring Rehema for Kids and helping us reach this goal. By becoming a sponsor, your organization will gain valuable visibility, demonstrating your dedication to creating lasting change. [Each sponsorship package includes advertising and marketing opportunities](#) to help connect your business with our community as well as network with like-minded professionals and the local customer base.

I would be happy to discuss which package aligns best with your business. Kindly review the attached registration form, which outlines the different sponsorship levels. We truly appreciate your dedication to our mission of rescuing these children and paving the way for a brighter future. Thank you for supporting Rehema for Kids. [We look forward to partnering with you.](#)

Gratefully,

A handwritten signature in dark ink that reads "Estha Trouw Madeira".

THE NEED

Every day, kids in Kenya are abandoned, orphaned, or abused because of poverty, disease, or death of family. The CDC estimates 50% of all Kenyan children experience physical, emotional, or sexual violence. As a result, it is estimated that more than 3.6 million Kenyan children under the age of 18 have been orphaned or are vulnerable. Some were left alone to starve, living in squalor because nobody could afford to feed them, leaving them critically malnourished. Others were found by neighbors after being dumped in outdoor latrines, barely alive. These children have no hope for a future, without intervention.

THE SOLUTION

We believe God calls us all to care for “the least of these.” In our care, we provide children with a loving home, quality education, nutritious meals, medical intervention, trauma counseling, and Biblical discipling that gives children the hope of Jesus and a chance to break the cycle of poverty.

Our 20-acre campus in Kenya’s Rift Valley consists of a children’s home, primary and junior high school, medical clinic, and special needs center where the children can heal and thrive. We envision a world where children are healed, whole, and empowered to break the cycle of poverty. Our goal is to see these children unlock their God-given potential, carrying the light of Christ to future generations.

FROM THE EXECUTIVE DIRECTOR

In partnership with the Tri-Cities community, we believe that we have the power to create an even greater transformation in the lives of Kenya’s most vulnerable children. Your support is not just appreciated — it is vital to ensure that our children grow up with the love, safety, and opportunities every child deserves. Thank you for considering a corporate sponsorship opportunity for our September 26th event — together, we can bring about positive, lasting change!
