

Dear Friend,

Every day kids in Kenya are orphaned, abandoned, and abused because of poverty, disease, and death. As a result, an estimated 50% of children in Kenya are at risk of generational poverty and exploitation. *Rehema for Kids* steps in to rescue the most vulnerable children who have no safety net.

Rehema for Kids provides children with quality education, nutritious meals, medical intervention, trauma counseling, Biblical discipling, and a home where they belong – learning how to break the cycle of poverty.

I would like to personally invite you and your organization to support our mission at our annual fundraising event called *Run for the Roses*. This event is a great opportunity to proclaim to the community your efforts to rescue some of the most vulnerable children in the world. The event will take place on Saturday, May 2, 2026 at The Vinery at the Christianson's Nursery.

Our goal this year is to raise \$50,000. We would be delighted if your business would consider sponsoring *Rehema for Kids* and help us reach this goal. By becoming a sponsor, your organization will have access to various advertising and marketing opportunities included in a sponsorship package.

My team and I are grateful for your consideration of supporting Rehema for Kids, and we would love to invite you and your organization to partner with us for this upcoming event. I would be happy to discuss which sponsorship level aligns best with your business. Kindly review the attached registration form, which outlines the available sponsorship opportunities.

We truly appreciate your dedication to our mission of rescuing these children and paving the way for a brighter future. Thank you for supporting *Rehema for Kids*. We look forward to partnering with you.

Gratefully,

Estha Trouw Madeira
